

Wayne County Hospital Visitation Guidelines

HOSPITALIZED IN-PATIENTS:

One Visitor/support person per patient a day.

OUTPATIENT: (ER, Surgery, Rehab, Lab, Radiology, Respiratory, RHC) One visitor/support person per visit.

- **All visitors must wear a mask while in the facility.**
- **No Children under 12 years old** should come to the hospital unless they need medical care. If you feel you have special circumstances, please talk to one of our nursing supervisors.
- **All visitors must be free of COVID-19 Symptoms (including signs of respiratory infections or flu, new loss of taste or smell,) and should not have had close contact with a person who is positive or presumptive positive for COVID-19.** Do not visit if you feel sick or have symptoms of a cold, flu, or another illness.
- **Visitors are not allowed for high risk, isolation, immunocompromised or respiratory patients who are under observation or test positive for COVID-19**

Thank you for your understanding and cooperation
